BY JULIE ANN DAWSON

*Intuitive Healer & Reiki Master Teacher*

## ABOUT ME

It's nice to meet you here! I'm an energy & intuitive healer with a Mastery in multiple energy healing modalities, and CEO/Founder of Chakra To Ya based in Los Angeles.

All healings are facilitated through Zoom, and include clearing, balancing, and recalibrating the aura, chakras, systems of the body, and bringing harmony to all aspects of our being- mind, body & spirit.

As an intuitive healer, I provide guidance by working closely with Angels and channeling messages through energy healing and the use of oracle cards.

I am not only grateful to have provided profound healings and guidance to countless clients since founding Chakra To Ya in 2016, but I'm incredibly blessed with the honor of teaching energy healing and attuning new practitioners all over the world at approximately 300+ a year in 32 countries!
